**To
Mespac India Pvt. Ltd.**

This is to appreciate and acknowledge the support provided by Mr. Sanjay Sahoo, Mespac India, during the Start-up and commissioning period of our new Re-sealable sachet line (Mespac H 180 SC) here at UL NIGERIA PLC. Mr. Sanjay's technical expertise, constant on-line monitoring and guidance to our line operators during last 2 weeks i.e. June 05, 2014 to June 18, 2014 has helped us have a smooth production run right from the beginning and at the same time coached our people to continue with this performance going forward.

I shall look forward to the same quality of service and support in future as well.

With Regards,
Sam Tafa
